**MOTION TO WITHDRAW**

Lisa Beckman; Lee Burrus; Todd Burrus; Tom Burrus; Chris Lovekamp; MGB Farms, LLLP; M,T&T Farms, LP; James Oliver Jr.; and J Edward Flynn and Farmers State Bank and Trust Company as Co-Trustees of the Dorothea Yeck Trust and the Marjorie Satterthwaite Trust Farms, (hereinafter referred to collectively as the “Western Morgan County Property Owners”) by and through counsel Martha Krohe, hereby moves to withdraw from the above-entitled matter, and in support thereof, states as follows:

1. The Western Morgan County Property Owners filed their Petition to Intervene on December 6, 2012, which was granted on December 14, 2012.
2. Since that time the Western Morgan County Property Owners have received detailed maps of the Alternate Route proposed by Ameren Transmission Company of Illinois (“ATXI”) between Meredosia and Ipava which are acceptable to the Western Morgan County Property Owners, unlike the Alternate Route as depicted in the Morgan County map posted at [www.ilriverstransmission.com](http://www.ilriverstransmission.com) which was unacceptable

to the Western Morgan County Property Owners necessitating their Petition to Intervene.

3. Provided the detailed maps provided by Mr. Edward Fitzhenry on December 12, 2012 and January 3, 2013 (attached as Exhibit A) accurately depict the Alternate Route, the Western Morgan County Property Owners are no longer opposed to either the Primary Route or the Alternate Route proposed by ATXI.

4. Accordingly, the Western Morgan County Property Owners do not intend to respond to Ameren Transmission Company of Illinois' first set of data requests received on December 20, 2012.

WHEREFORE, the Western Morgan County Property Owners respectfully prays that they be granted leave to withdraw as a party and for such other and further relief as is deemed just.
